Financial Responsibility Form

Purpose:

The purpose of this document is to make sure that our patients understand the financial aspect of our relationship. First of all, thank you for giving our office the opportunity to care for your dental needs! We truly value the relationship we have with you and your family and strive to do our very best to provide the highest quality care available with a conservative and compassionate approach. We understand that quality dental care can be costly at times so we are pleased to offer various payment options.

Dental Insurance:

Those who have dental insurance are very fortunate to have some of the cost associated with dental care paid by the plan. Please keep in mind insurance is a benefit-it is not designed to pay for all of your care and the coverage provisions of an insurance plan should not be confused with what dentistry is needed or appropriate in your particular circumstance-only Dr. Perrott and you can determine that. As a convenience to you our office will be happy to submit claims to your insurance company. Our computer software estimates what your insurance may cover and estimate your "out of pocket" patient portion. THIS IS ONLY AN ESTIMATE. Our office makes no guarantees or promises that your insurance will cover any or all of your treatment. We will cooperate fully with the regulations and requests of your insurance company that may assist in the claim being paid. However, this office will not enter into a dispute with your insurance company over any claims. We encourage you to be active in the timely payment of your dental claims, if your insurance company has not made payment within 60 days, the unpaid balance becomes your responsibility and subject to finance charges and additional collection cost incurred from outside party to collect on your unpaid debt.

Payment Options:

- **For patients with insurance**, your estimated portion is due at time of service. Please understand we DO NOT "bill for services."
- **For patients without insurance**, payment is due at the time of service, we accept Visa, Discover, MasterCard, or CareCredit. Those who pay with cash or check will receive a 5% discount, for those 65 years old and older we offer a 5% Senior discount. Please understand we DO NOT "bill for services." Discounts applied when payment is made at time of service.
- **Interest Free Payment**, is offered through CareCredit®. This company is not affiliated with Dr. Robert Perrott and we do not have control over acceptance in the program. We will assist you in the application process as much as we possibly can. The end result would be an agreement between you and CareCredit®.

Delinquency / Returned Checks:

If your account is 60 days past due, you will receive a letter stating that you have 15 days to pay your account in full. Please be aware that if a balance remains unpaid your account will be referred to an outside collection agency or attorney, YOU will be responsible for the collection costs, along with reasonable attorney fees and court costs incurred by our office. Payment will be required on past due balances before you will be seen for non-emergency appointments. Returned checks will be subject to additional fees and loss of check writing privileges in this office.

Minor Patients:

It is the policy of the office that whomever brings the child in for their dental appointment will be responsible for payment for services rendered that day.

Patient initials: _____

Late Cancellations or Missed Appointments:

Please understand that our appointment times are scheduled to allow us to take care of each individual's needs during the patient's visits. Since appointment times at our office are in high demand, we value advanced notice from our patients who are unable to keep their scheduled appointments. In an effort to decrease unnecessary costs related to staffing and supplies, we maintain a No-Show/ Cancellation policy for all of our patients. **We require that you give our office at least a 48-business hour notice** if you need to reschedule your appointment. In the event an appointment is missed or cancelled without contacting our office within the required time, a fee will be charged to you; this fee cannot be billed to your insurance company and will be your direct responsibility. No future appointments can be scheduled without the payment of this fee. If three no-show or same day cancellations occur, in a 12-month period, we reserve the right to terminate the doctor-patient relationship. This policy is in effect for all appointments at our office. Please acknowledge that you have had the opportunity to review this policy by signing below.

I, the undersigned, hereby authorize the release of any information relating to all insurance claims for benefit submitted on behalf of myself, spouse, or dependents including the assignment of benefits payable to Robert D. Perrott DMD, Limited.

I also understand it my responsibility to notify the office with updated insurance information, address and phone numbers as we are not notified of such changes other than by you, the patient.

We thank you for the opportunity to serve your dental health care needs and welcome any questions you may have concerning your care or our policies. Significant cost incurred in carrying our patients accounts. To control these costs and help keep fees down, it is necessary to adhere to these policies.

I acknowledge having read this Financial Responsibility Form in its entirety and agreed to be bound by all terms and conditions herein.
